

Freshman Year

Check off each item as you complete.

FALL – Plan for the year ahead

- Meet with your counselor to discuss your college plans. Review your schedule with them to develop a recommended class schedule of college preparatory courses.
- Establish strong study habits and commit to a consistent study routine and work on effective time management techniques.
- Start a calendar with important dates and deadlines.
- Don't forget to explore extracurricular activities as they can be an important part of your Resume of Achievement.

SPRING

- Sign up for college preparatory courses such as AP courses.
- Study for May AP Exams. Get free AP preparation.
- Look for a great summer opportunity — job, internship, or volunteer position.
- Check with your counselor and search online for summer school programs for high school students at colleges.
- Consider summer community service projects.
